COURSE & LEARNING OBJECTIVES

Learn at Your Own Pace with PECB-Accredited Training

The ISO 22301 Lead Implementer eLearning course equips you with the skills to implement, manage, and improve a Business Continuity Management System (BCMS) in line with the ISO 22301 standard. By the end of this training, you will be prepared to plan, establish, and manage a BCMS following industry best practices.

Objectives:

- Understand the fundamentals of ISO 22301 and its application in a BCMS.
- Develop the skills needed to implement a Business Continuity Management System.
- Master techniques for risk assessment, business impact analysis, and incident response.
- Prepare your organization for an ISO 22301 certification audit.
- Earn the PECB ISO 22301 Lead Implementer certification to showcase your expertise.

Course Content

- Introduction to ISO 22301 and its requirements
- Core concepts of business continuity management
- Risk assessment, business impact analysis, and continuity strategies
- Planning, implementing, and managing a BCMS
- Monitoring, evaluation, and continual improvement of a BCMS
- Preparing for an ISO 22301 certification audit

Who Should Attend?

This eLearning course is designed for:

- Project managers and consultants involved in business continuity management.
- Professionals responsible for ensuring business continuity within an organization.
- Members of a BCMS implementation team.

The eLearning format is perfect for those with busy schedules or who prefer self-paced learning.

Prerequisites

No specific technical background is required, but knowledge of management systems is an advantage.

About the ISO 22301 Lead Implementer Exam

Participants receive a voucher to take the exam at home or in the office. The voucher is valid for one year, and it is recommended that the exam is taken shortly after completing the training. Candidates will take the exam online via the PECB Exams application with remote proctoring.

- **Exam Duration:** 120 minutes (+30 minutes for non-native English speakers)
- **Format:** Closed book
- **Number of Questions:** 40
- **Passing Score:** 70% or higher (28 points or more)

eLearning and Exam Delivery

Once your order has been confirmed, you will receive an order confirmation within two working days.

The entire training course and exam are conducted electronically, meaning that all you need to access these training courses is a device (computer, tablet, or smartphone), a working internet connection, and the KATE application.

Registering for an eLearning course is simple: after purchasing your eLearning course from the B2B Learning website, you will receive an invitation to create your PECB account and install the KATE application on your device. You will then be able to browse the eLearning course(s) you have purchased or that have been made available to you.
