COURSE OBJECTIVES AND LEARNING OUTCOMES

Learn at your own pace with a PECB-accredited training course.

The **PECB Certified ISO 9001 Lead Auditor eLearning Training Course** equips you with the skills needed to audit a Quality Management System (QMS) based on ISO 9001. By the end of this training, you will be able to assess compliance, lead audits, and ensure ISO 9001 implementation within an organization.

Objectives

- Understand the fundamental principles of ISO 9001 and their application in business.
- Develop the necessary skills to perform the role and responsibilities of a Lead Auditor.
- Master audit planning, risk-based auditing, and evidence collection techniques.
- Guide and support organizations in achieving ISO 9001 certification.
- Obtain the **PECB Certified ISO 9001 Lead Auditor** certification to validate your expertise.

Course Content

- Introduction to ISO 9001 and its requirements
- Audit principles, processes, and best practices
- Planning and conducting an ISO 9001 audit
- Risk-based auditing and evidence collection
- Audit reporting, nonconformity management, and follow-up
- Audit program management and continuous improvement

Who Should Attend?

This eLearning course is designed for:

- Managers and consultants responsible for ISO 9001 compliance
- Auditors looking to lead QMS audits
- Professionals in risk management, compliance, and quality assurance
- Technical experts involved in ISO 9001 implementation

The eLearning format is ideal for professionals with busy schedules who prefer to learn at their own pace.

Prerequisites

No specific technical expertise is required, but knowledge of quality management systems and auditing principles is beneficial.

About the PECB Certified ISO 9001 Lead Auditor Exam

Participants receive an exam voucher, allowing them to take the certification exam online from home or the office. The voucher is valid for one year, and it is recommended to take the exam soon after completing the course. The exam is remotely proctored via **PECB Exams**.

Exam details:

- Duration: **120 minutes** (+30 minutes for non-native English speakers)

- Format: **Closed book**
- Number of questions: **40**
- Passing score: **70% or higher** (minimum 28 correct answers)

Access to the Training and Exam

Once your order is confirmed, you will receive access within **two business days**.

The training and exam are fully online. You will need:

- A computer, tablet, or smartphone
- An internet connection
- The **KATE** application

How to Enroll?

After purchasing the course through **B2B Learning**, you will receive an invitation to create your **PECB account** and install the **KATE** application on your device. You will then be able to access your eLearning course.
