COBIT® 2019 Foundation

**2 or 3 Days (14 or 21 Hours) / Exam included**

An interactive learning experience

Get certified training for your teams! Adopt and adapt the COBIT 2019 framework to govern and manage your enterprise information systems.

Our COBIT 2019 Foundation training will help you understand how to govern and manage your organization using the COBIT 2019 framework and guidance. We will explain the key differences between COBIT 5 and COBIT 2019. You will also explore how COBIT 2019 integrates other bodies of knowledge, standards and frameworks.

Participants will receive a COBIT 2019 Foundation exam voucher.

The exam will test a candidate's understanding of the topics and those that achieve a passing score on the COBIT 2019 Foundation exam receive the COBIT 2019 Foundation Certificate.

The COBIT 2019 Foundation Certificate Exam is an online, closed-book, remotely proctored exam. The exam covers eight domains and includes a total of 75 questions. The number of questions in each domain is based upon the domain's assigned weight.

Exam-takers will be given two hours (120 minutes) to complete the exam. Each multiple-choice question has three options with only one correct answer. A score of 65% or higher is required to pass the exam.

Participants to our courses will receive an exam voucher to take the COBIT 2019 Foundation Certificate exam. To redeem your voucher, you will need to:

- Test the hardware and software required to take the exam
- Schedule the exam date and time
- Complete the exam

Individuals holding an ISACA certification (CISA/CISM/CGEIT/CRISC) may claim two CPE credits for each examination hour when a passing score is achieved.

TRAINING MATERIAL

- Participants will receive a binder with the presentation and documentation.

- You will also be able to download the reference manuals for free or order them in book-format.
