COURSE OUTLINE

Our MSP Foundation 5th Edition is a 2-day course. There will be a detailed introduction to present an overview of the method and to prepare participants for the information which then follows. There will then be individual topics, each focused on **the themes and processes of MSP®**. For each topic, there will first be a presentation to identify the major and most important aspects of that element, followed by simple but **worthwhile exercises as well as quizzes**.

Participants will be offered useful evening work to help them better prepare for the foundation exam.
