

# Lean Six Sigma Green Belt eLearning (ILSSI)

Durée : 80 heures / 6 mois d'accès / voucher d'examen ILSSI compris

Notre cours en ligne Lean Six Sigma Green Belt (LSSGB) offre aux participants :

- une compréhension des divers outils et techniques Six Sigma et Lean qui les aideront à améliorer le processus de production et à minimiser les défauts du produit final en mettant davantage l'accent sur la mise en œuvre pratique de ces outils et techniques dans l'entreprise
- les connaissances nécessaires à l'amélioration des processus de production et à l'adoption de la méthodologie Lean Six Sigma dans leurs organisations
- la capacité d'identifier, d'anticiper et de travailler pour résoudre les problèmes liés à la mise en œuvre pratique de Lean Six Sigma

Ce package unique d'apprentissage en ligne et de certification comprend

- 51 leçons et 37 vidéos de haute qualité,
- 8 supports de cours et du matériel de référence avec 30 exercices ainsi que des quiz
- une application mobile pour apprendre et étudier où et quand vous le souhaitez
  - un système de suivi des progrès dans l'étude
- **L'examen ILSSI Lean Six Sigma Green Belt**

**ATTENTION : ce module eLearning et l'examen n'existent qu'en anglais !**

## **WHO SHOULD ATTEND?**

---

This course and Green Belt certification level is designed for employees and organizations requiring a standardized approach to problem solving for the purpose of continuous improvement in Quality Management.

Roles include Quality System Managers, Supervisors, Operations Managers, Finance and Commercial Managers, and professionals who want to apply the methodologies and quality control process within an organization.

## **PRE-REQUISITES**

---

There are no formal prerequisites to enroll for this online course. However, we would advice to have some working experience (2 years or more), be comfortable with statistics and have a passion for problem solving and attention for details.

## **CERTIFICATION EXAM**

---

The **ILSSI (International Lean Six Sigma Institute) Green Belt exam** is included in this package, with the possibility of taking a second time free of charge.

The exam consists of 100 multiple-choice questions and each question only has one correct answer.

The test duration is 2 hours.

## **WHAT'S INCLUDED?**

---

This unique eLearning & exam package includes:
